PEER TUTORING PROGRAM

Peer Tutors are upper-level MBKU students who have excelled in the course they tutor and are trained to facilitate discussions on course content as well as study skills and strong academic habits. Peer tutoring services are available at no cost for students experiencing academic difficulty and for students desiring additional assistance with course work. Arrangements for tutoring may be made by the instructor or student. Tutors are selected based on cumulative GPA/academic progress with faculty approval.

Each Program is in charge of their own Peer Tutoring program. Program Student Affairs representatives are available to assist faculty and students in the selection of tutors and/or course review session leaders. The earlier an instructor identifies students needing tutorial assistance, the more likely the services will be of value. Peer Tutors are valuable members of the MBKU community and, as such, are compensated as a work-study position.
