

STUDENT IDENTIFICATION NUMBER

MBKU assigns a Student Identification (ID) number to all students. Students should identify themselves using their student ID number when communicating with various Departments on campus to ensure the Department is accessing the correct student information. This avoids mistaking students with the same or similar name. Your student ID is used in the library, campus store, campus accounts and campus safety offices.

While a student's Social Security number is requested at the time of admission, under the provisions of the Federal Privacy Act of 1974, a student is not required to provide the Social Security number. Although providing the Social Security number is voluntary at the time of admission, some students who do not provide it initially may be required to do so later to meet federal and state financial aid and other fiscal requirements.
