

# LOCAL HOUSING OPTIONS

---

Fullerton, being a college community, has many apartments and rental houses around the University. There are no residential halls at MBKU; however, there are a variety of apartment complexes within walking distance of campus. MBKU owns several off-campus housing units that are rented to students on a first-come, first-served basis. Vacancies are filled via the Housing Wait List on the portal ([https://my.ketchum.edu/ICS/Students/Student\\_Housing.jnz](https://my.ketchum.edu/ICS/Students/Student_Housing.jnz)). Hope International University offers on-campus living options to MBKU students that include meal plans. If you have reliable transportation, there are other living options for all needs and budgets in Fullerton, Yorba Linda, Placentia, La Habra, Brea, Orange, and Anaheim – just to name a few!

All students are responsible for acquiring their own housing at their own discretion and risk.
